or: **Tuesday 8th March** online
or: **Wednesday 9th March** at: **Lenham Community Centre**
to find out more about **Heathlands**

A new community rooted in garden village design principles, Heathlands, will be a settlement that creates a genuinely sustainable, mixed and balanced community. The site will offer approximately 5,000 homes including affordable housing, with over 50% of the area consisting of local parks, community spaces and existing woodlands.

AMONG THE POINTS BEING ADDRESSED

The event will provide more information on key aspects of the scheme including: -

-  **Environment and biodiversity**
-  **Local economy**
-  **Housing**
-  **Transport and infrastructure**
-  **Schools and other infrastructure**
